

CHC DE CONFIANZA PLENA

the importance of your business

Offers for business

CHC Energía understands the importance of your business. It's what makes you get up every morning, what drives you and, occasionally, prevents you from sleeping ... At CHC Energía we want you to concentrate your energies on what you really need, without worrying about where you can save money. We propose a relationship that is clear and close, honest and open.

Offer for a contracted power supply of more than 15 kW

Conditions

La oferta no conlleva ningún compromiso de permanencia.

The price offered includes all items making up the total cost of electricity in the liberalised market except for the electricity tax and VAT.

The table shows the price for the power term in accordance with the prices published in the Official State Gazette (BOE):

- Deviations of power and reactive power, where applied, will be calculated in accordance with the current legislation and reflected in the corresponding bills.
- Connection rights deriving from the contracted power are not included in the prices offered.
- The cost of renting the measuring equipment transferred to us by the distribution company will be reflected in the bills.
